Dear District 22 Medical Examiner Search Committee,

I am eager to submit my application for the District 22 Medical Examiner Position. I have practiced Forensic Pathology as a Board Certified, Associate Medical Examiner in a NAME accredited facility in District Six, in Florida, for the past 16 years. During this time in District Six and my pathology training, I have completed over 4,000 autopsies, over 2,000 external examinations or record reviews, I have reviewed over 56,000 death certificates for cremation approval, and I have been deposed and testified in court numerous times. With this extensive experience, I have dealt with most imaginable types of medical examiner cases. With my experience, conscientiousness, and high level of motivation, I feel that I am the best candidate to become the District 22 Medical Examiner. Please see my attached completed application and Curriculum Vitae.
