Charlotte County Board of County Commissioners

18500 Murdock Cir # 536 Port Charlotte, FL 33948

Dear Charlotte County Commissioners:

RE: District Twenty-Two Medical Examiner's Office Chief Medical Examiner search.

I would like to offer my candidacy for the position of Chief Medical Examiner in Florida District 22 - Medical Examiner's Office in Port Charlotte, Florida. I am a forensic pathologist certified by The American Board of Pathology in Anatomic and Clinical Pathology with subspecialty in Forensic Pathology.

I have additional expertise in Neuropathology.

**For the past 15 years, I have been Deputy Medical Examiner in Westchester County, New York.**

**Last 3 years, I have been The Head of the Westchester County, NY Dept. of Labs and Research.**

<https://labs.westchestergov.com/>

The Dept. of Laboratories & Research in Westchester County under my leadership has 100 employees with administration and 5 divisions encompassing a wide range of technical expertise directed at providing

the best services for public safety and public health to the citizens of Westchester County, NY.

My training and practice in both Anatomic and Clinical Pathology as well as Forensic Sciences has given me the experience necessary to lead this diverse department.

In my training and carrier I have learned from true premier and legendary leaders of US forensic pathology:

Vincent Di Maio M.D of San Antonio, TX; Charles Hirsh, MD of New York City, NY; Marcella Fierro, MD, Commonwealth of Virginia;

Joseph Davis, MD of Miami, Dade County, FL; Jeffrey Jentzen, MD of Milwaukee, Milwaukee County, WI.

My diverse forensic pathology experience was gained by working in 6 medical examiner's offices: Forensic Pathology Fellowships were in Milwaukee and San Antonio. I have practiced forensic pathology in Fairfax, VA, Lubbock and El Paso, TX and Westchester, NY.

I would be delighted to serve the citizens of Florida District 22 as the Chief Medical Examiner. I am ready to take on the challenges of this unique opportunity in Charlotte County, FL. Throughout my career as a medical examiner, I have cultivated an approach that cares about the people involved, serves the justice and public health and respects for the dead. My Florida Medical License is ME 146763.

I look forward to presenting to you my abilities, experiences and sensible approach to this delicate function of the government which involves medicolegal investigation of the death.

**NOTE: Application Form for Physician Employment including the list of References will follow shortly no later than Monday 9/12/2022 morning.**
